Education

Pandit Deendayal Energy University   Expected May 2026
Bachelor of Technology in Computer Engineering (CGPA: 9.2 / 10.00)   *Gandhinagar, Gujarat*

Experience

Infolanze   January 2024
Front-end Developer   *Ahmedabad, Gujarat*
- Developed a website for ShreyaWaterTechLLP using React and TailwindCSS, ensuring a dynamic and visually appealing user interface.
- Ensured the website's responsiveness across different screen sizes and resolutions.
- Increased website performance score to 78, accessibility score to 92, best practices score to 100, and SEO score to 75 as measured by Google Lighthouse.
- www.shreyawatertech.in

TechVantage   December 2023
Web Designer   *Ahmedabad, Gujarat*
- Crafted an E-commerce website for a shop specializing in magic products using Figma for seamless user experience across mobile and desktop platforms.

Projects

Trip Discover | *React.js, TailwindCSS, Node.js, MySQL*   Github Code
- Constructed a platform for discovering new destinations and organizing travel itineraries.
- Used React.js and Tailwind CSS for the front-end and MySQL and Node.js for the backend.

Recipe Nest | *Figma*   Behance
- Designed a recipe sharing app with an attractive dark theme that highlights colorful recipe pictures.
- Ensured a uniform and expert appearance by using a consistent color scheme and icons throughout the app.
- Created detailed recipe pages that include comprehensive ingredient lists and step-by-step preparation instructions.
- Enhanced user engagement with features such as commenting on recipes, liking recipes and saving recipes for future reference.

Dashboard | *Figma*   Behance
- Developed a user-friendly dashboard interface with a focus on enhancing user experience and visual appeal.
- Implemented modern design principles to create an intuitive and aesthetically pleasing layout.
- Demonstrated proficiency in UI/UX design tools and techniques, ensuring seamless user interaction and navigation.
- Enhanced user engagement with features such as commenting on recipes, liking recipes and saving recipes for future reference.
